

Participate in the Annual Meeting Live Webcast

Unable to attend the College's 2015 Annual Meeting & Education Day? No problem.

The Ontario College of Social Workers and Social Service Workers is happy to once again make the Annual Meeting and keynote address available to College members via live webcast.

Initiated at last year's AMED, the live webcast was very popular with participants. In fact, a resounding 100% of webcast participants said "Yes" when asked if they would participate in AMED by webcast again. One participating member stated: "The webcast worked so well. Easy to access and I felt like I was there. Thank you for making it available".

The live webcast will take place on June 9, 2015. The keynote address will also be made available on the College website and [YouTube channel](#) following the event.

Participation instructions

The webcast will be in audio-only format and will include PowerPoint slides of all presentations where available. In addition, viewers will also have the ability to send in their questions via email before and during the webcast. Questions will be answered live during the webcast.

Participants can send their webcast questions to ocswssw@gmail.com. (Note: This email account is active. Users who would like to pose questions prior to the

event may do so by using this address. During the event, users may use a link on the webcast page.)
