PAYMENT

Renewal fees may be paid in Canadian funds by credit card (Visa or MasterCard) or by cheque/money order. If you choose to pay by cheque/money order, you must mail your payment to the College. Make your cheque/money order payable to the Ontario College of Social Workers and Social Service Workers (OCSWSSW).

Post-dated cheques will not be accepted if dated after December 31. There will be a \$25 charge for any cheque/money order that is not honoured. Please write your name and registration number on the bottom of your cheque/money order or attach a printed copy of the online payment page with your cheque/money order.

Annual fees are due on or before December 31.

For payment received after January 31, annual fees will include a \$50 penalty provided that payment is received prior to suspension. Failure to pay the annual fee can result in suspension of a member’s certificate of registration. A 60-day notice period is given prior to suspension of your certificate of registration for non-payment of fees.

If your registration is suspended, you may not use the title “registered social worker” or “registered social service worker” in Ontario nor hold yourself out to be a social worker or social service worker in Ontario.

NEW GRADUATE MEMBERS

New graduate members are eligible for a \$100 exemption from the annual fee. New graduate members will receive this exemption for the two years of membership immediately following the year of registration as a new graduate member. If a new graduate fails to pay the annual fee by January 31 of the renewal year, the member is NOT eligible for the exemption in the following year.

INACTIVE MEMBERS

A member who wishes to become an inactive member must notify the Registrar of their intention to become an inactive member by completing, signing and submitting the “Notice of Intention to Become an Inactive College Member” form at least 60 days before the member intends to become an inactive member. The member must complete, sign and submit the “Undertaking and Acknowledgement” form and pay any outstanding fees owed to the College, including any annual fee owed for the current year, penalty or other amount. An inactive member may resume membership if they complete and submit to the Registrar a form to apply for a general certificate of registration at least 60 days before the inactive member wishes to resume membership and pay any outstanding fees owing to the College. After receipt and review of the notice form, the College will issue to the member an invoice for any outstanding fees owing to the College.

RETIRED MEMBERS

If you are no longer practising social work or social service work and do not intend to return to practice in Ontario or any other jurisdiction, you will have the option to apply for a retired class of certificate of registration. Please contact the College for more information.
